

PROVINCIAL NEWS

(Issued by Publicity Commissioner Government Buildings, Edmonton.)

The Alberta Cabinet has endorsed the attitude of Premier Greenfield and Attorney-General Brownlie in refusing the offer made by the Dominion Government at the recent conference at Ottawa on the natural resources. This offer was that the natural resources be returned, with a continuance of the yearly cash subsidy for three years. The Alberta Government adheres to the proposal that the cash subsidy be discontinued on the return of the resources allocated for Federal purposes. Though the most recent Dominion offer has been declined the offer is still open for further negotiations.

The position at the opening of the negotiations last April was that the Provincial Government had received a communication from the Hon. W. L. Martin, Minister of the Interior, suggesting the possible settlement: (1) The return of the unallocated resources by the Dominion to the province without compensation for resources already allocated. Present subsidy received from the Dominion in lieu of lands to be discontinued. (2) An increase in the Dominion subsidy to the province from the beginning by an independent tribunal, crediting the provinces with all monies received for charging provinces with all outlays by the Dominion, directly or indirectly in relation to the management of the resources. Findings of the tribunal to be final. Present subsidy in lieu of lands to be discontinued.

These suggestions were fully discussed at the conference in Ottawa in April last, neither proposal being considered a satisfactory basis of settlement by the representatives of this province.

It becoming evident in the development of negotiations that there was small probability of arriving at a uniform basis of settlement acceptable to all three provinces, it was agreed by the representatives of the governments of the western provinces that any of the three governments be at liberty to negotiate separately for a settlement with the Dominion.

Negotiations for settlement on behalf of the province of Alberta alone were then opened by the representatives of this province, suggesting as a basis of settlement, in an effort to get away from the long and costly process of an accounting and arbitration, the return of the remaining resources to the province; the present subsidy be continued until such time as the province be satisfied with the compensation given for resources allocated from the province of Alberta for purely Federal purposes.

Some progress was made during the first week of April last, but on the resumption of negotiations at the recent conference, this suggested basis of settlement did not find favor with the Dominion government, and as a result of these negotiations just closed a uniform offer of settlement was made by the Dominion government to all three western provinces as follows: The return by the Dominion to the province of the remaining resources, plus payment of present subsidy for a term of three years; any revenue outstanding on Alberta resources to accrue to the province.

The representatives of the province of Alberta, however, still insist that the way to accept the offer until after consultation with their colleagues. The offer has now been fully considered by the government, and the position taken at the conference was endorsed.

position taken by the representatives of the province at the conference was endorsed.

The conference at least led to a clearer understanding of the whole question by both sides, and the door is still open for further negotiations. The government of this province still feels that the claim put forward at the conference in April last, that the province of Alberta is justly and fairly entitled to compensation for resources is sound.

Alberta stands rather well in respect to school population, when compared with some other provinces. In 1920 the school population in the schools of the province equaled one-fourth of the population. In the United States in the same year the school population represented only one-fifth of the population.

Attendance at the four agricultural schools for the 1922-1923 term totals 320. There are 146 pupils in attendance at Oilsa school, 70 at Raymond, 50 at Claresholm, 50 at Vermilion. Last year in six schools there was an attendance of 211, so that the department is calculating about as many pupils per school this term as in six schools last term.

Home rule for the province has been received at Claresholm that Mr. Telford has won first prize in the exhibition of seed wheat at the Royal show at Toronto.

The Vancouver Convention of the A.P.P. at Claresholm, seated five members to \$1000 in the past week or two in the "Punch" Club, Barrow, and Stanley districts. Several hotel keepers and a druggist figured heavily in the business. Officials of the Alberta Province Police also made a large seizure of 140 cases of liquor at Macleod. Near Oilsa recently, officials of the A.P.P. co-operating with officials of Indian Affairs, Department, which has charge of prosecutions of skills, prosecuted three farmers with the result that heavy fines were imposed.

These suggestions were fully discussed at the conference in Ottawa in April last, neither proposal being considered a satisfactory basis of settlement by the representatives of this province.

ARROWWOOD SOCIAL A GREAT SUCCESS

(From our own correspondent)

The Christian Workers Social at Arrowwood, December 5th evening, was a great success. The gentlemen brought neckties at the door, at one cent per inch of tie; the ladies at one cent per inch of wrist; the children's dress was soon stuck with hills. Super was then sold cafeteria style. Following supper, the people found some of the best dancing in the auditorium and were entertained by Miss De Long, an able dramatic reader and vocalist from Calgary. Miss De Long, who was assisted by her mother and the able local assistants, Miss Adams, pianist and Mr. Dettler, vocalist. Finally after over an hour's standing room "O Canada" was sung by the audience and the U. F. A. and Junior U. F. A. prepared to meet. Both U. F. A. meetings were well attended. The Junior were having their second songwriting meeting, and as it was simply drawn from the crowd, it seemed that half of it was composed of visitors. Miss De Long, who was elected as secretary-treasurer to fill the position created at last meeting.

"Silent" Marchioness made Van-Valen to with 22 horses and nine grain wagons, hauling 160 bushels of wheat good boy "Silent". When will you give "Silent" a kind of a hard drive, but hill and some hard turns, the fellows are all from Miss De Long, who will not see the 24 can be beat until they are not.

FIRE BRIGADE ELECT OFFICERS

President, Geo. Matthews. Secretary, G. H. Guderham. Asst. Chief, Ed. Menard. Capt. C. B. Hyndman, hose department.

Capt. Dan McLeod, No. 1 chemical engine.

Capt. McLeod, No. 2 chemical engine.

Capt. Bob Staak, ladder department.

Capt. Howard Bowen, life saving department.

The above officers were duly elected at the annual meeting of the Gleichen Fire Brigade held a week ago. Nearly all the officers being re-elected, save for some who have left town and one new officer being elected.

The biggest staff of the new year most enthusiastic and from the big attendance it may be concluded that good work will be accomplished should the season arise.

The secretary was instructed to purchase four new canvas coats for use in the men operating the motor. A life saving net, including a life line along the line laid out by Capt. Knight, of No. 3 Fire Hall, Calgary, who gave a very interesting and instructive address and answered many questions that perplexed our fire fighters.

A committee composed of firemen and women was selected to find a place and means of raising funds for the brigade, which has since met and decided to put on a "Niger Night" in the Opera House, at a date to be named in the near future. While the program for this year is not yet fully settled it already promises to be one of the best—dramas, shows, etc., at Gleichen.

Everybody wishes the boys success in their undertakings.

UNION CHURCH NOTES

A special service will be conducted on Sunday evening 10th, December, 7:30 by the Rev. John Pate of the Laramie Memorial Presbyterian Church, Deer Lodge, Montana. Subject: "Expressing our Appreciating." Special music by the choir. Young men and women specially invited.

Monday evening in the Church at 8 o'clock Mr. F. A. met again on Jan. 14th, at which time they expect to have a meeting more properly known as the "Community Group of Young Folks." They have the promise of an efficient speaker, who has been connected with the U. F. A. for a period of years and in addition they will have some suggestions numbers on the program at that time.

Mr. and Mrs. Gaylen Jones visited at the home of C. E. Walker, Sunday.

COMING EVENTS

Dec. 8.—Entertainment at Meadow Grass School.

Dec. 8.—Box Social and Dance in Mills Hall.

Dec. 13.—Dance at Arrowwood Consolidated School.

Dec. 15.—Box social and dance at Living Springs Social house.

Dec. 15.—Andrew's Church W. A. Sale in G.W.V.A. Hall.

Dec. 20.—Concert by Gleichen Gleichen Club in Opera House.

LIVING SPRINGS DANCE, DEC. 15

There will be a big time at the Living Springs Social house on Monday night and five o'clock of Gleichen, on Friday, Dec. 15th, when a box social and dance will be given in a good time is anticipated. A good supper will be supplied at 25c, per plate and the admission ticket will be one dollar per couple, with 25c for extra help. Everyone is invited.

Gleichen Oldfellows will pay a visit to the Basano brothers tomorrow night.

Down north at Vulcan when a big train of grain tanks is reported on its way to town word is broadcasted, notice chase out to make sure there is no spill, the natives, men women and children, turn out on mass, bands, etc., etc., etc., the train is passed and a gala day is proclaimed. That is fine and dandy, but if it were in a holiday, Gleichen every day would be a holiday.

ARROWWOOD BRIEFS

(From Our Own Correspondent)

Should anyone wish for lessons in fighting, they might apply to George Lett; at least he proved his ability in the case of J. Beagle's hen house fire last week. It looked like a coming ash pile with Mr. Lett arrived.

The guests at the home of W. C. Lett, Sunday, included Mrs. A. H. Lett and daughters Lela and Dorothy, Lela Walker, William Lett, Felix and Paul Jones and Carrol Walker.

Many were the complimentary remarks heard in the crowd Friday evening, of Miss De Long's reading and singing. She sang very well, fortunate in securing such an able local assistant as Miss Clara Adams as accompanist. Miss De Long's mother, aged 78, quite aptly sang "On The Wings of Highway."

Just a word for the coyote hunters in section 16, 10 days ago Capt. and Felix Jones, with their hounds, have captured twelve and they have seldom met out just for coyotes, last picking them up last night.

Ernest Mason and Clio Miller have taken nine of Mr. Garza's record is unknown. These men are performing a service which the community should appreciate.

The thirty-two horse grain hauling outfit which left this community last week, arriving in Vulcan a week ago Monday, seemed a wonder and center of interest of nearly the whole country. It is said that the schools of Vulcan could not hold 1800 people turned out to see it. Besides there were special men there from Calgary to witness the arrival.

Mr. and Mrs. L. A. are rejoicing over the arrival of a babe, weighing five and three-quarter pounds which was born last week.

The Junior U. F. A. met again on Jan. 14th, at which time they expect to have a meeting more properly known as the "Community Group of Young Folks."

They have the promise of an efficient speaker, who has been connected with the U. F. A. for a period of years and in addition they will have some suggestions numbers on the program at that time.

Mr. and Mrs. Gaylen Jones visited at the home of C. E. Walker, Sunday.

FOR SALE—Purebred White Island cattle. Also purebred White Wyandotte Cockerels. Apply to Mrs. W. H. James. 342

ST. ANDREW'S CHURCH Dec. 10th, 2nd Sunday in Advent

Morning Prayer (Gospel) 11:30 a.m. Sunday School 2:30 p.m. Evening Prayer 7:30 p.m.

The W. A. of St. Andrew's church met at Mrs. Gusselwell's, Thursday at 8 p.m.

RADIO NEWS

Interest in radio is still going strong. The Gleichen people have been taking a keen interest and have listened, looked and inquired in order to glean a bit of radio knowledge. Every opportunity that it has offered the "Bug" quite a life of amusement to hear the exclaimations without fail of "wonderful, wonderful," from every listener. And really it is wonderful, when, with a single detector

hills only, an evening was recently spent as follows: One hour concert, news bulletins, market reports, 1st grain and cattle from each of the two large stations in Calgary, then a bit from Edmonton and Regina. Next we heard San Francisco talking to Seattle, after which, the Alberta told Vancouver that he had to quit talking with him as it is 15 minutes had a date with Telegraph Hill, California and immediately D.N.4, the Colorado National Guards, Denver called Calgary and said "I heard Telegraph Hill telling Seattle that another man was operating tonight and his appointment could not be kept with California." Then D.N.4 called

Telegraph Hill and told him the message. Telegraph Hill told him the message. The conversation was quite interesting.

Saturday night last, neither a sample of the benefit of us with the jury out and sentence to be passed on Emilio Piccirilli and Mrs. Florence Lazzarini that night; and no newspapers to be published before Monday. Location was high, none came to the house and many phoned asking for news. Promptly the news of their death sentence was broadcast and just as promptly the "inquiries" got the news by phone. Also we had Reg had the news on the screen at the "movies." All within a very few minutes after sentence was passed. That is real service.

Already some of our farmers have installed them and others are contemplating installing them. Some report having excellent success.

"Trade at Home" Campaign

It is easy for the mail order house to get away with this substitution of another article for the one that is ordered for the reason that to exchange an article received from a catalogue house is a costly undertaking.

Exchanges are Costly

If a mail order buyer is disappointed in his purchase, as he is very apt to be when he compares the article upon its arrival with the picture and flowery description which appeared in the catalogue, the wisest plan is to take what he gets and make the best of it, for every time he sends an article back to be exchanged he is piling up the freight or express charges and even if the article is exchanged as requested, the buyer is not apt to fare much better on the second attempt.

The mail order houses are well aware of the fact that the majority of their customers will not go to the trouble and expense of returning an article if it does not come up to their expectations and as a result they can work the substitution game to their heart's content.

The home merchant, however, cannot do business in this way and, as has been said, the majority of them would not do it if they could. The home merchant, if he has not the article called for, may offer another with the explanation that it is of the same quality as the one for which the customer asked. Good merchants nowadays even hesitate to offer something "just as good" to the customer unless he is satisfied with the article called for especially when the article called for is one that has become well-known and popular through the advertising done by the manufacturer, but to attempt to make a substitution without the knowledge or consent of the customer! Well, it isn't being done by the local merchants today.

QUEENSTOWN NEWS

Who was it said we would have no winter?

Now listen for the curl of the Scotch gemeters.

The small boy now has no complaints re skating.

Box social and dance, Living Springs school, Friday, Dec. 16th.

Enough Scotch has been found in Strathmore to start the rouxier game.

Corpl. Harper's little girl has been suffering from pneumonia, but is now improving.

What town will be after the Purcell cup first this season? It still belongs to Gleichen.

Curling is expected to start for the season to-morrow night. Is your Scotch in good trim.

The Mito Baseball League is putting on a box social and dance in the hall Friday evening Dec. 16th.

Mr. and Mrs. J. P. Tretter are happy in the arrival of a fine baby boy at their home in Gleichen last Saturday, Dec. 2nd.

On December 16th the W. A. of St. Andrew's church will hold a sale of work and what drive in the G. W. V. A. Hall, commencing at 7 o'clock.

Bob Beacom is the happiest man in all the south country. It's a boy and arrived at his farm on Friday, Nov. 24th. Mother and child are doing fine.

Fire Chief P. Rishaug announces the arrival of another fine boy at his home on Tuesday of last week, Nov. 28. Some day Pete may have a complete fire brigade of his own.

Some of the ladies are complaining of smoking in the Opeka House, and fear that sometimes a fire may result. We have a letter on the subject, which we would rather not print, being the men will take this hint kindly.

The recent catastrophes in colleges and schools, where by many lives were lost once more brings up the question of fire drills in schools. The day will come when churches and all public gatherings will be required to leaving buildings under drill. It will be a good law.

F. E. Pohl who has supplied most of the radio news for the Call, is now prepared to accept orders for complete radio outfits at a low price as they can be obtained anywhere. See him about any material you require, who will cheerfully supply all information required.

An opportunity will be afforded the citizens of Gleichen and district to see pictures of the wonderful Passion Play of 1922, in the Union Church on Monday evening. Rev. John Pate who is at present conducting services in the Union Church, has been a student of the work of the villagers of Oberammergau for over thirty years and was able to secure the first set of pictures taken by a leading American artist, and these, finished in color, will be shown in Gleichen for the first time west of Winnipeg.

OBITUARY

Little Archie, aged 3 years, 11 months and 16 days, only son of Mr. and Mrs. L. W. Donnersworth, passed away last Wednesday after a week's illness of double pneumonia. Rev. C. C. Cornish conducted the funeral services at the family residence on Friday afternoon, after which the remains were laid to rest in the Gleichen cemetery. Very beautiful flowers were placed upon the little white casket. The pallbearers were Misses Vivian Brown, Josephine Stuart, Viva Naraham and Mable Jones. He leaves to mourn his loss a sorrowing father and mother and five sisters.

LOST—A Gray Mare, 8 years old. Brander 8x on right hip. Shown on four feet. Inform John Schuler, Calgary.

MEN'S AND BOYS' OUTFITTERS

RETURNED MEN MEET DEC. 19-20

The Provincial Command Group War Veterans Association has called a conference of "Returned Men," in Calgary for December 19th and 20th, at which representatives of returned men in every district of the province will be present.

This is not a G.W.V.A. convention but a conference of returned men whether they are members of the G. W. V. A. or not. The conference will deal with the problem affecting the returned men and especially those affecting the disabled, the widows and dependents.

It is expected that about 250 delegates will be present at this reunion. Any returned man interested in the veteran problems will be made welcome and those desiring to attend should communicate with Provincial Command G. W. V. A. 204, Oddelwood Building, Calgary.

A number of young people of Gleichen took advantage of the nice weather and motored to Strathmore for the Hockey dance last Friday night. All report they had a good time but came back with the opinion that after all Gleichen dances are hard to beat. Those who attended from Gleichen were: Misses Rachel Knoford, Marion Walsh, Dorothy Heald and Bernice Sammons and Messrs. L. Webster, B. Atchison, R. Debnarsh, R. Gamble, D. James, Jack Liley, Hal Moody, S. Maden and F. Hastings. It is rumored that some of our Gleichen young men are anticipating being moved to Strathmore in the near future.

CARD OF THANKS

We wish to extend our hearty appreciation to those who gave their sympathy during our recent and severe bereavement and especially thank those who so generously contributed the beautiful flowers.

Mr. and Mrs. L. W. Donnersworth and family.

In spite of the most extensive educational campaign against railroad highway crossing accidents ever carried on, figures last compiled by the Insurance Department of the Pennsylvania Railroad System show that in June, July and August, of this year, said casualties increased 30 per cent, as compared with last season.

The period covered embraces the first railroad crossing of the United States since the automobile was introduced into the country. During the three months, on the Pennsylvania System alone, there were 107 crossing accidents, in which 19 persons were killed and 115 injured.

That this year's large increase in these casualties is chargeable almost entirely to growth in the reckless and inexperienced driving of automobiles, is shown by the fact that casualties at highway crossings and on all other causes combined decreased. There were 48 in question. The cause of the 10 persons, and an average of two persons casualties for each killed in 30 deaths; four caused by automobile drivers, or an average of five for each car involved. In two of the accidents, entire families were wiped out. That these deaths were attributed to a comparatively small percentage of inexperienced and irresponsible automobile drivers who have neither the knowledge, training or judgment required for the safe operation of such machines, the result is often failure of life when approaching or driving over railroad tracks. Moreover, reckless driving of automobiles is not confined to highway crossings. This is shown by the daily reports in the newspapers of accidents caused by driving automobiles with reckless policy, over stone walls and by speeding, along highways, resulting in collisions, and in turning chronic of death and injury. The only way to reduce the number of the accidents and were entirely familiar with the layout of the railroad tracks and roads over which they were driving.

The responsibility of automobile drivers for the safety of others is their own is the less than that of the
